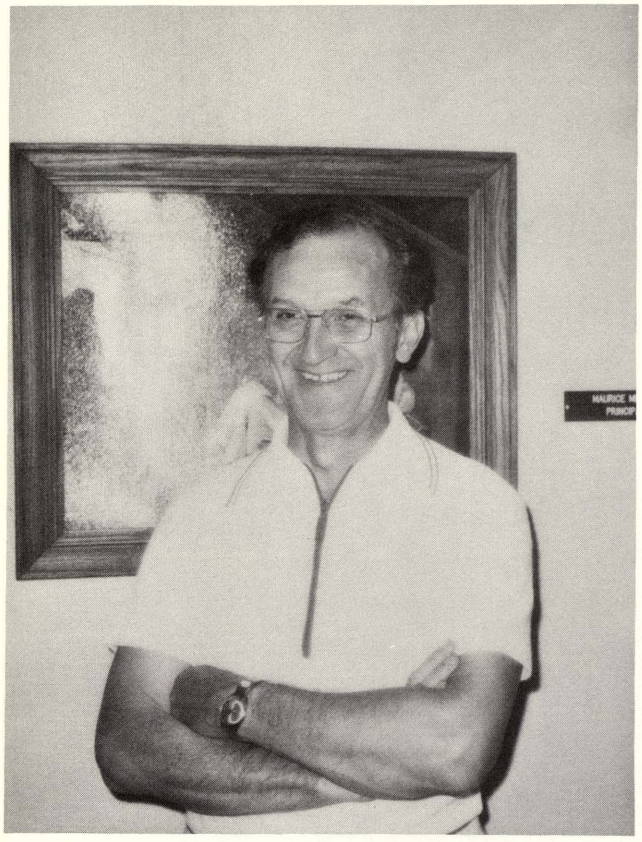
WHO ME?!
STAFF AND STUDENTS

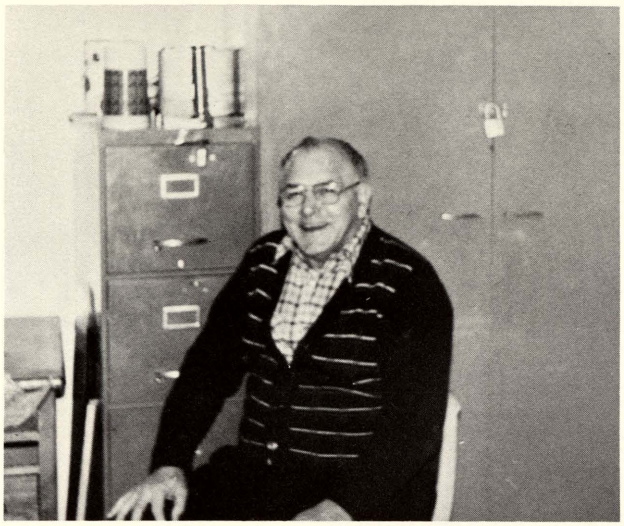
Principals And Secretaries



Mr. Mellor, Chippewa's principal, and Mr. Billiter, his assistant, have worked hard to keep the faces at Chippewa smiling and to keep the school running properly. They may get mad at times, but we know that these men do their best and care about the school and everyone in it. Willingness to help students in obvious, as they are always saying either "yes" or "no" depending on which appeals to them. We really appreciate the all out effort they contribute.

This is Mrs. Eyster's eleventh year at Chippewa, but only the first year for Mrs. Moeller. They both find their jobs very enjoyable. The secretaries deserve much credit. They come in every morning smiling, ready to work like busy beavers. Great patience is automatic with these secretaries in their everyday office life.

Custodians



MR. VONSENNETT

MR. RIVERA

MRS. MILLER, MRS. MARTIN, MR. LESLIE

The Chippewa custodians are a hard-working group that start work early and stay late, all to make this a cleaner and safer school for us. Their pride in their work and the school is obvious, as it is kept in such good condition.

Cooks And Lunch Ladies

MRS. LEMANSKI (manager) and MRS. MEYERS

MRS. THOMPSON

The cooks at Chippewa do a lot to help the cafeteria. They come every morning and prepare the lunch by 11:20. They make different meals and do each one their best. We also appreciate the help of the lunch ladies. Without them life outside and in at lunch would not go so smooth.

7th grade A team waiting for the serve

This year's seventh grade volleyball team was the best the school has had! Although we were not the league champions, more of our games were won than lost. The strong school support and the enthusiasm of the spectators were contributors to the team's improved success. Also, the volleyball clinic held during the spring of our sixth grade helped to develop skill and a basic understanding of the game before the season began in October. As eighth graders, we plan to become the champs! The team was a great group of hardworking girls! Coach J. Peters.
